2. Funds shall be used only for the provision of direct services to youth and for administrative costs associated with the direct services provided.
3. Administrative costs charged to a program are limited to those essential to the administration of the program; indirect costs charged by the county are unallowable within the grant.
4. Funds shall be deposited into the county Felony Delinquent Care and Custody Fund.
5. Funds received by the Juvenile Court shall not be commingled with any other funds.
6. All expenditures must be directly related to the approved programs identified in this Agreement.
7. The Juvenile Court shall maintain files on all contracts funded with grant funds, which shall be made available to DYS upon request.
8. Funds shall not be used for capital construction projects in a total amount exceeding 15% of the base allocation for the current fiscal year. No variable funds may be used for capital construction projects.
9. If any cash balance exists at the end of the state fiscal year, it shall be carried over into the next fiscal year within the Felony Delinquent Care and Custody Fund and shall not be reverted to the county's general fund.
10. Funds shall be in addition to, and shall not be used to reduce, any usual annual increase in county funding that the Juvenile Court is eligible to receive, or the current level of county funding of the Juvenile Court, and of any programs or services for delinquent children, unruly children, juvenile traffic offenders, or non-adjudicated youth supported by county moneys.
11. Funds shall be in addition to, and shall not be used to supplant, any existing county funds.
12. Reimbursement for training and travel costs is limited to that which relates to court services to youth. Records for these expenses shall be maintained.
13. Should a county employee be employed and paid by the subsidy grant in addition to his/her full time job, the work must be performed on the employee's own time outside of his/her core hours for the other job and compensation must be reasonable and consistent with fair market value. Hours worked for both jobs must be clearly documented.
14. Overtime premiums paid to court employees must be prorated among the various activities of the employee and may not be charged exclusively to grant funds unless the employee works full time on the grant. Overtime rates can be paid only if, and in proportion to the time, the employee worked on the grant during the relevant time period.
15. At the time of separation from employment, the Department will only recognize accrued vacation/sick leave expense liability in proportion to the percentage of the employment period during which the employee was employed in programs funded by the grant and paid from grant funds, pursuant to statutory and county policy limits.
16. All obligations must be incurred by June 30th of each State Fiscal Year and liquidated by September 30th of the following State Fiscal Year, excepting unemployment and worker's compensation expenses.

17. Expenditures shall not exceed an approved program or approved program line item by twenty percent or five thousand dollars, whichever is less. An amendment must be submitted for the Department's prior approval for any expense which would exceed these limits or which would alter the nature of the program.
18. Up to one thousand dollars may be moved between or within programs into an approved program line item. In such cases, the court shall submit amended budget forms to the Department. Transfers of more than one thousand dollars require that an amendment be submitted to the Department for approval prior to the transfer of funds.
19. Cost of equipment, property, services or any other budgeted items must be at fair market value, or that which would be paid by a prudent buyer in a given community.
20. All purchases are subject to county purchasing policies and procedures, except that purchases of direct service for youth do not have to be competitively bid. If no county purchasing procedures exist, state purchasing procedures as outlined in the Ohio Revised Code shall be followed.
21. Proper inventory schedules must be maintained for all equipment purchased with grant funds, including the following information for all equipment: number, purchase price, date of acquisition, vendor, condition and location.
22. County-established guidelines will be used for the salvage of unusable, damaged, and/or non-repairable equipment taken out of the juvenile court or programs funded by the grant. If no county guidelines exist, state guidelines shall be followed.
23. The Department shall suspend funding to a Subsidy Grant funded program if it finds failure to comply with the Ohio Revised Code or administrative rules promulgated by the Department.

2. The Juvenile Court shall maintain records as needed to allow the Department or its designee to conduct program monitoring and evaluation.
3. The Juvenile Court shall, in writing, request the Auditor of State to perform additional procedures as part of the audit performed under Section 117.11 of the Ohio Revised Code, and shall provide a copy of applicable sections of the audit report to the Department upon request. The cost of performing the additional audit procedures shall be paid from the Felony Delinquent Care and Custody Fund. The scope of the additional procedures shall include legal compliance with Sections 5139.34 and 5139.43 of the Ohio Revised Code and Chapter 5139-67 of the Ohio Administrative Code, and examination of revenues and expenditures, cash balance, outstanding obligations and internal controls.
4. The Department may perform an audit of the county Felony Delinquency Care and Custody Fund. When a county is selected for audit, the Department will perform an audit of the fiscal records in accordance with generally accepted auditing standards, including such tests of the funding records and such auditing procedures considered necessary under the circumstances. The scope of the audit will encompass, but may not be limited to, an examination of the financial transactions, funds and reports

pertaining to the approved programs and an evaluation of compliance with the established rules and Grant Agreement.

5. Upon completion of the audit examinations, the Department shall issue an audit report which shall include a statement regarding the expenditures of funds and compliance with applicable regulations and the Grant Agreement, and with approved program amendments.
6. Within one hundred twenty (120) days of the date the Department conducts an audit, the Department shall, in writing, notify the Administrative Juvenile Judge of its intention to take exception to any of the actual costs therein reported. The County Fiscal Agent shall be required to refund to the Department from the county general revenue fund the amount of the exception to the reported costs within forty-five (45) days unless an appeal of the exception is filed.
7. If, within forty-five (45) days of the date of the Department's notification to take exception, the Administrative Juvenile Judge or Board of County Commissioners does not file with the Department a request for appeal, the action proposed in the Department's notification shall be final and binding. If an appeal is filed, the Director of the Department shall notify the juvenile court regarding the decision of the appeal within forty-five (45) days from its receipt. The actions proposed in the Department's notifications may be made final and binding before the expiration of the forty-five days within which the county may appeal if the Administrative Juvenile Judge and the Board of County Commissioners waive, in writing, the provisions of this paragraph. If the determination is made that the appeal of the exception is denied, the County Fiscal Agent shall be required to refund to the Department from the county general revenue fund the amount of the exception to the reported costs within thirty (30) days of notification of the appeal decision.
8. If the County Fiscal Agent fails to repay the amount of the exception as provided in numbers (6) and/or (7) above, the amount will be deducted from the Juvenile Court's future base or variable payments.
9. The Juvenile Court shall, with reasonable advance notice, provide the Department or its designee with access to records, including any or all documents related to the Felony Delinquent Care and Custody Fund.
10. The Juvenile Court shall maintain accurate, legible and current fund records which indicate all income and expenditures related to the Felony Delinquent Care and Custody Fund.
11. The Juvenile Court shall support all income and expenditures with documentation to provide a clear audit trail for every transaction.
12. The Juvenile Court shall maintain all records related to this Agreement until the Department has accepted a final closing expenditures report for the last year for which the record documents or supports a cost or expenditure, or for three years, whichever is longer.
