

Message from DYS Director Harvey Reed Administrative Professionals Day 2015

April 22, 2015

Dear Staff:

Today is National Administrative Professionals Day, and I cannot think of a more fitting time to express sincere appreciation to all of the administrative staff at DYS.

As administrative professionals, you provide excellent service to staff, youth, families, and communities, meeting a wide range of needs. You work well under pressure and are able to handle issues that come your way in a kind, professional, and patient manner. Often as

behind-the-scenes employees, you keep a variety of tasks on track so that we can keep moving forward as an agency.

Happy Administrative Professionals Day! Thanks again for all of your assistance!
