Message from DYS Director Harvey Reed

Happy Veterans Day

November 10, 2015

Dear Staff:

Happy Veterans Day! I would like to thank all of our employees who are veterans as well as those who are currently serving our country. You inspire us through your selfless service. At this time, fourteen DYS employees are active duty Reserves and are fully trained military personnel who are available to serve when needed.

As we enjoy tomorrow's holiday, please take time to appreciate our veterans and all that they have done to protect the freedoms that we cherish.
