Preface

This Profile of Youth Transferred to Adult Court was created with data obtained from the List of Youth Transferred to Adult Court reports submitted monthly to the Department of Youth Services by the 88 county juvenile courts. This report profiles the youth transferred to Ohio's adult courts. In this report, each youth is counted once per year per transferring county, regardless of the number of transfers for an individual youth. Please note that, beginning FY 2006, this data has been collected and reported by fiscal year.

The Department of Youth Services wishes to thank the 88 county juvenile courts for their cooperation in the submission of this information. Any questions regarding the contents of this report should be directed to Shawna Leffler.
